INTERNATIONAL SYMPOSIUM 2022

AFOBMCIS is the annual event of Asian Federation of Biotechnology Malaysia Chapter. This year, it will be hosted in hybrid mode at 5-star hotel, Pelangi Beach Resort & Spa, Langkawi and virtually online. The prestigious conference is organised by Universiti Putra Malaysia with Universiti Kuala Lumpur as the co-organiser and in collaboration with renowned universities and research centres in Malaysia. With this year's theme "Biotechnology Innovations for Sustainable Future". AFOBMCIS 2022 aims to provide a platform for local and international researchers, scientists, academicians, scholars, and industries to share knowledge and expertise in the research and development of biotechnology.

Plenary Speakers

Professor Hyung Joon Cha
 Engineering Dean and SeAH Chair Professor, Pohang University of Science and Technology (POSTECH), Pohang, South Korea
 Director, Biomaterials Research Institute
Title of talk: Biomolecules-based innovative functional materials for regenerative medicine and drug delivery

Professor Neil J Rowan
 Director of the Bioscience Research Institute at Technological University of the Shannon Midlands Midwest, Ireland
Title of talk: Simplifying sustaining and disruptive innovation for meeting challenges and emerging opportunities in the Biotech domain - 'Making the Magic'

Important Dates

Registration and abstract submission for 'Early Bird'	Before 1 June 2022
Abstract and acceptance announcement	
Early Bird	1 August 2022
Standard and Late	10 September 2022
Symposium date	18-21 September 2022

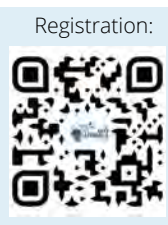

Registration Fee

	EARLY BIRD 1 Jun 2022	STANDARD 1 Aug 2022	LATE 10 Sep 2022
FACE-TO-FACE			
Malaysian Regular	RM 790	RM 890	RM 1100
Malaysian Student	RM 550	RM 650	RM 750
International Regular	USD 290	USD 350	USD 400
International Student	USD 190	USD 250	USD 300
ONLINE			
Malaysian Regular	RM 300	RM 350	RM 400
Malaysian Student	RM 150	RM 200	RM 250
International Regular	USD 100	USD 150	USD 200
International Student	USD 50	USD 100	USD 150

*10% off for AFOB members

Technical Sessions

1. Agricultural and Food Technology
2. Applied Microbiology
3. Biopharmaceutical and Medical Biotechnology
4. Biocatalysis and Protein Engineering
5. Bioprocess and Bioseparation Engineering
6. Bioenergy and Biorefinery
7. Environmental Biotechnology
8. Marine Biotechnology
9. Nanobiotechnology, Biosensors and Biochips
10. Systems and Synthetic Biotechnology
11. Tissue Engineering and Biomaterials
12. Bioindustry Promotion and Bioeducation
